

Return on Investment for Illume Ag

[08/14/2026]

Paymode Will Save You Money

This is with what you
could earn and save
with Paymode.

ANNUAL COST SAVINGS

\$23,017

ANNUAL REBATE

\$37,494

OPPORTUNITY FOR IMPROVEMENT

PAIN

Manual Processes

Disjointed manual processes which are slow, costly and error prone

Working Capital and Cash Flow Management

Incurring late fees, unscheduled payments, missing early payment discounts, not earning rebates

Risk Management

Risk of fraud is rising with your current payment choices

The Details

We process your vendor history file through our network database, leveraging network and predictive analytics

We...

- Segment vendors
- Remove exclusions
- Identify exact matches
- Recruit & onboard vendors

We provide the forecasted end-state cost and overall return on your investment

CARD NETWORK

Paymode Card exact matches & card-accepting vendors

PREMIUM NETWORK

Paymode Premium exact matches & motivated vendors

BASIC NETWORK

Vendors such as landlords, benefit admins, govt, credit card bills

EXTENDED NETWORK

Individual consumers, contractors, employees or international vendors that accept ACH, EFT, or Wires

CHECKS

Payees that are not yet on-boarded, require checks, or are low transaction value or quantity

Vendors that decline or are not a fit for virtual card payments

Vendors that decline or are not a fit for Premium Network payments

Payment File Analysis & Conversion Metrics

	VENDORS	TRANSACTIONS	SPEND
AP File Totals	466	3,666	\$21,834,521

Network Matches	75	1,159	\$4,634,266
	16%	32%	21%

Virtual Card Payments

GOAL

Drive higher returns in the form of rebates as Vendors pay interchange for virtual card and remittance data.

VENDOR POPULATION

This target group is made up of your Vendors already accepting Virtual Card, Premium ACH and those who are a prime candidate to receive this interchange centered payment method based on their spend profile, industry, and type of payments received from you.

PAYMENT FILE ANALYSIS

	Spend	Transactions	Vendors
VC Migration	\$3.4mm	1,122	243
Day One	\$547.3K	279	14
Campaign	\$6.6mm	532	29
Enroll	\$4.9mm	1,488	262

*client rebate share is calculated as 72 BPS on \$4.9mm card spend
